

Paper Prototype: Login

The system prompts for a username and password.

The researcher enters his/her username.

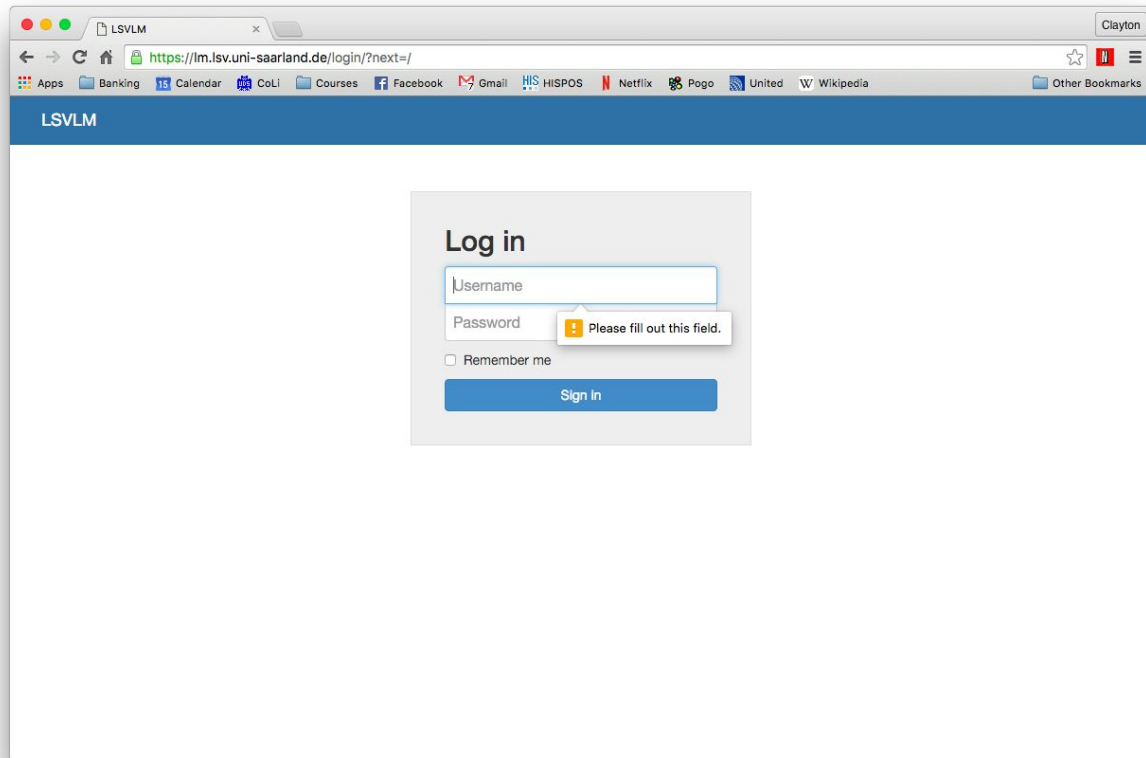

The researcher enters his/her password.

The screenshot shows a web browser window with the address bar displaying "lm.lsv.uni-saarland.de". The page has a blue header bar with the text "LSVLM". In the center of the page is a light gray box containing a "Log in" form. The form has a title "Log in" in bold. Below the title is a text input field containing the placeholder text "I am not a real user". Below that is a password input field with a masked password "*****" and a toggle icon. Under the password field is a checkbox labeled "Remember me". At the bottom of the form is a blue button labeled "Sign in".

The researcher selects login.

If the researcher does not enter a username or password - the system displays the error message: "Please fill out this field" and remains on the login screen.

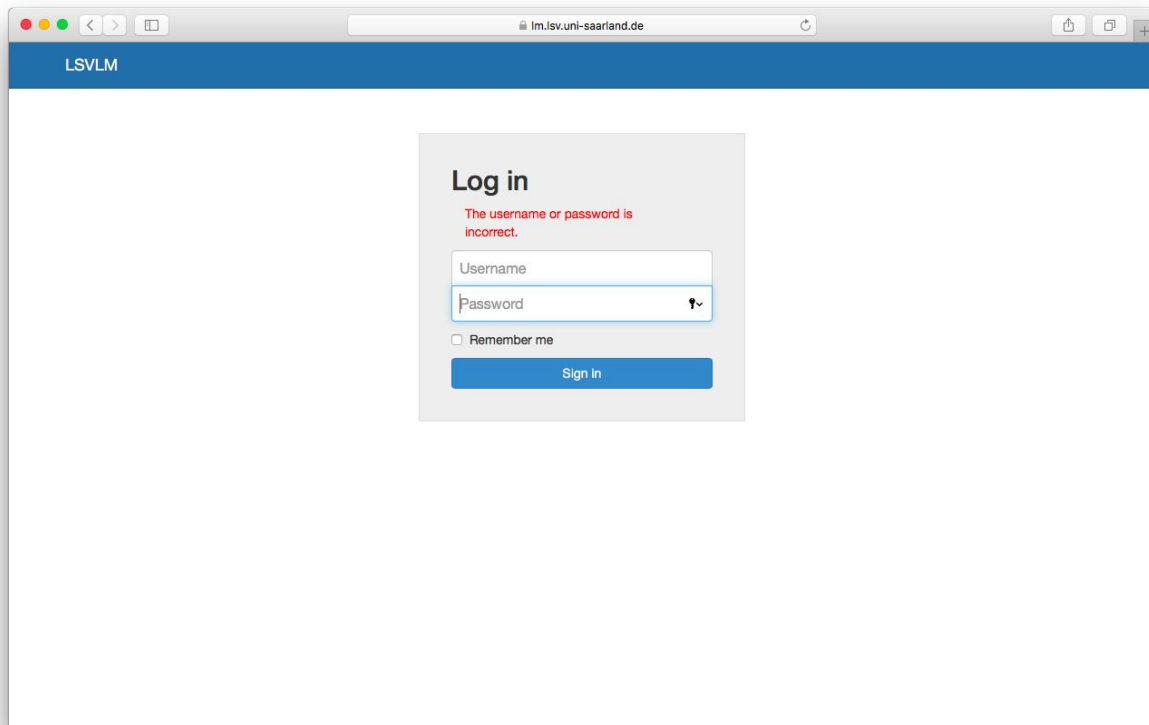

The screenshot shows a web browser window with the address bar displaying <https://lm.lsv.uni-saarland.de/login/?next=/>. The browser's bookmark bar includes links to Apps, Banking, Calendar, CoLi, Courses, Facebook, Gmail, HISPOS, Netflix, Pogo, United, and Wikipedia. The page title is "LSVLM". The main content area features a "Log in" form with the following elements:

- A "Username" input field.
- A "Password" input field with a yellow warning icon and a tooltip that reads "Please fill out this field."
- A checkbox labeled "Remember me".
- A blue "Sign in" button.

The system authenticates the logins credentials: first against the approved LDAP directory (LSV), then second against the local database.

If the username/password combination is not valid according to either the LDAP directory or local database - the system displays the error message “The username or password is incorrect” and remains on the login screen.

The screenshot shows a web browser window with the address bar displaying `lm.lsv.uni-saarland.de`. The page has a blue header with the text "LSVLM". The main content area is white and contains a centered login form. The form has a title "Log in" in bold. Below the title, a red error message reads "The username or password is incorrect." The form includes two input fields: "Username" and "Password". The "Password" field has a small eye icon to its right. Below the input fields is a checkbox labeled "Remember me" and a blue "Sign in" button.

If a user exists in the approved LDAP directory but does not have a local account, one is created. This is not communicated to the researcher.

The system displays function groups, namely, Corpus Management, Language Models, Run Experiments.
